## Scene one (Jessica's bedroom)

Form seven students: Lisa, Sarah and Jessica gathered together at Jessica's home. They have just finished the A-level examination and decided to spend the whole night on chatting with each other. Inside Jessica's bedroom, Lisa, Jessica and Wing Sze are lying and playing on the bed while Sarah is taking a bath.

W&J: (Surprising) Sarah is dating!

L: That's no joke!

W: I can't believe it!

L: These photos were secretly taken before the A-level Examination.

W: Oh Jesus! Isn't this the lobby of Sarah's house?

J: Oh! You are sick! You followed Sarah every night?

L: Shut up Fat Bug. I'm just a professional reporter. (proud of herself)

W: Hey! Look! They put their two heads together!

L: No, the guy is holding Sarah's hand!

J: Well, Sarah didn't tell us that she is dating!

W: Is it just by chance? Oh, it seems to be true. (Look at the photos carefully)

J: Hey, come on! The picture is too small. I can't see clearly!

L: Well, then give me a magnifying glass, fat bug.

J: Hey, Who are you talking to?

L: Of course the one who is answering me!

J: What?

L: Don't you remember you've been on a diet since F.4 and followed Sammy's  
-diet menu". But up to this moment, you are still a 28.

J: What? 28? I went to buy a pair of trousers yesterday and the salesgirl  
admired my 24-inch waist.

L: Huh? You believe her? You look like a bucket to me.

J: How about you? You are not better than me! You put on SKII masks  
everyday but your face is still rough! (touches on L's face)

L: I used to have 4 pimples on my face, but now, I've only got 3! You see,  
1-2-3. (counting the pimples)

J: And 4! (pointing at L's nose)

L: This one is not a pimple!

J: Yes, it is!

L: NO! You Fat bug!

J: Yes!

L: Yes? Yes you are A fat nasty bug! (laughing at J)

J: No! I mean your pimples! I am not fat.

L: Yes, you are.

J: No! I am not.

L: Yes!  
W: Hey! Please stop arguing! Let's find out the truth about the photos! Jessica, would you please go and get the magnifying glass?  
J: OK!

**(Jessica goes and gets the magnifying glass. They look at the photos and laugh loudly and at this moment. Sarah gets in. Sarah has just finished her bath and getting into the bedroom. She sees that L is holding a magnifying glass and they seem to be discussing something interesting. When the three girls see her, they try to hide the photos.)**

S: Hey girls, I can hear you laughter in the toilet just now! What are you laughing about? Please tell me.  
J&W: Noth...ing, we are just..... We are  
L: We are just talking about your.... Your (suddenly think  
**(J and W immediately agree on that)**  
J&W: Yes!! Yes!!  
W: What takes you so long in the bathroom?  
J: Are you busy 'shaving' inside.  
L: You have bathed for two hours. I suppose all kinds of hair would be out, right? (taking up the magnifying glass in her hand and search on Sarah's body)  
S: Hey, get out of my face.  
L: It seems that you are really very clean! (burst out laughing and suddenly stop the magnifying glass at S's breast)  
Wait! My goodness! Look at this!

**(All girls take a look at Sarah)**

L: (Like having discovered a secret)  
It's a Mickey Mouse!!!  
J: What about the underwear?  
L: Let's have a look!!

**(L, J then run at S' back and want to look at S's underwear. W joins in. The room is filled with laughter! Very noisy!)**

**(Sound of knocking the door.)**

Mother: Jessica? Honey? What's happening? Open the door.

J: Mum, it's fine in here. We're about to go to sleep. Good night.

W,L&S: Good night, Aunt. **(The three stare at Jessica)**

J: Good night mum. **(The four release a sigh of relief, and become silent)**

S: We should not be so out of control.

L: Out of control? Who is out of control?

**(S doesn't understand, and looks at the photo album.)**

S: Oh! I see. You are all looking at the photos we took before. How nice! (S goes to the bed and took the album. She looks at the photos and smiles, enjoying)

S: Hey! Look at this one. Why was Lisa so embarrassed when she was taking the photo with Mr. Kan?

L: Well, we better look at the other photos first.

**(They knew what had happened and wanted to tease Lisa)**

W&J&S: It's Lisa's first menstruation!

L: No! No! That's not the fact.

J: Don't ever deny that! You made the whole dress red like a Japanese national flag.

L: You are exaggerating.

J: No! Remember Sarah, Wing Sze and I wrapped you up and moved you to the toilet and washed that stain.

W: I even asked Ms. Shek to lend you a napkin but she refused. Fortunately, Sarah saved you. She went to the office and bought the napkin with "3 big

L: Exactly! That Napkin was just a sample and without wings. It dropped out from my underwear when I moved!

W: Ha! Ha! Lisa, you admitted it eventually!

L: Well ...

S: Look at this one! See how beautiful I was in the costume of Snow White!

J: Yeah! In those days, you were not just surrounded by the seven dwarfs in the drama 'Snow White', you were also admired by most of the boys in the Joint School Drama Festival. But you ignored all the admirers. What a pity!

L: Are you jealous?

J: I don't think so!

W: Hey look at this one, it was taken during the Singing Contest in F.4. Still remember.... **(Starts to sing but is stopped by J)**

J: Don't bother to sing again, we LOST in that competition. What a shame!

W: But we did pay effort.

S: Yes, we practiced from day to night. It was really a memorable time.

L: Yes, I even had no time to date my boyfriends in those days. How busy we were.

J: Actually, you were ALWAYS dating with different, so called, 'boyfriends'. Didn't you find it boring?

L: You want to know the answer? Let's ask Sarah.

S: Me?

L: Yeah! Don't you feel bored when you are dating?

S: How can I know?

J: Hey, don't pretend anymore.

W: You looking glowing these days, Sarah!

J: And much prettier than before?

L: Right! So....Why?

J: Eh?

L: Eh?

W: Tell us please, Sarah.  
S: Wait a moment. I don't get it! What do you want me to say?  
J: Hey, come on Sarah!  
W: Well, Let's take out the photos and ask her. **(Looking at J and L)**  
S: What photos?  
J: Of course it's 'YOUR' photos.  
S: I don't think I have taken any photos recently. Let me have a look.  
J: Well.... it doesn't matter to let have a look, but you must tell us the story about the photos.  
S: Stop bargaining. Let me have a look first.  
J: OK  
**(give the photos to S)**  
Here you are.

**(Sarah is surprised)**

S: Hey, how do you get the photos of Peter and I?

**(They burst into laughs)**

W&L&J: Peter! Ha... It's so old fashioned!

S: Don't laugh girls, Peter is my friend. **(serious)**

J: OK OK We would not laugh if you could answer all our questions.

S: There's nothing special!

W: Come on Sarah.

L: It's just an ordinary friend, right?

S: Of course!

L: So how old is he?

S: He is half-year older than me.

J: Where did you first meet your sweetheart?

W: Any flowers receiver?

S: We have been to church and have gone shopping together. Sometimes we have chatted on the phone. See, it's simple!

J: You two also studied together. No wonder you never bomb in the exam!

W: How lucky you are! You can get your true LOVE just after exam!

S: Listen. We are just friends.

J: Friends? Sooner or later he will become your boyfriend.

L: Yeah!

J: Give me five!

L: Yeah!

L: Do you want some tips on how to deal with your boyfriend. Let me tell you some. Firstly, you must keep a distance from him, playing hard to get him, you cannot let him know how deep you love him. BUT, you must make sure that he is 100% loving you. Well, it's just like playing with a kite. Let it go but take it back at the right moment. Let it fly but hold the string tightly. So, you must take the initiative like that I did three years ago to Aaron. Still remember...

**(turn and look at them)**

J&W&S: What did you say? Aaron?

**After hearing Lisa's idea, they all glared at her displeasingly. Lisa's idea reminds them of the incident which happened 3 years ago.**

## Scene Two

Three years ago, A day during lunch time.

Venue: Inside a rehearsal room

**(During lunch time, Actresses A and B are rehearsing a scene. The director is Lisa. At the moment, Lisa has not yet arrived and therefore A and B start practicing. SM and ASM are sitting aside and look at their performance.)**

(A- acting as the boyfriend)

(B- acting as the girlfriend)

A: (Facing and kneeling down in front of the girl friend) (In English)  
I love you.

B: (shaking head)

A: I love you so much.

B: (still shaking head) I am sorry.

A: (trying to use mandarin) I love you.

B: (seem to accept and then shake the head)

A: (in order to get B's love, A exaggerates her expression)  
I do love you. I do love you.

B: No! No! I don't love you anymore. Let's just break up.

A: What? What did you say?

B: I WANT TO BREAK UP WITH YOU!

A: How can you do that to me? I am a man!

B: So what? You think you should be in the position to say "I break up with you"?

A: Why not?

B: Hey, come on. This is 21<sup>st</sup> Century. Women should take control of their future, her thoughts and her life completely. How come you are still so traditional? You will believe that women should be men's slaves or men's subordinates? No! definitely not. I am the one who is in charge of my self.

A: (look at B's expression and want to laugh)

B: (interrupt A) Whatever men can do, women can do too. Got that?

**(A and B look at each other and laugh suddenly.)**

L: Stop! What are you two doing? How can we continue like that?

**(showing disapproval)**

B: Lisa, I really can't say something like that. I don't believe that at all.

A: I did nothing wrong. How could she say those WORDS to me?

L: But that's the truth! As my mum said 'Women are no longer men's subordinates. Women should take the initiative if they think something is right. Forget about it. Students in a girls school will never understand that.

B: Hey, Lisa, don't forget that you are also studying in a girls school.

L: It's different. It's really different.... OK. Forget it. Let's try again later. Have your lunch first.

**(SM and ASM are reading the magazine 'Yes'. Lisa being angry, went and talked to them)**

L: What happened here? Reading magazines. "Yes"? Oh, no. You two are supposed to watch the rehearsal!

SM: Lisa, there's a ' Mr. Handsome' Pageant organized by the ' Yes' Magazine.  
ASM: Yeah. That Aaron was the winner. How handsome he is!  
SM: Who?  
ASM: The head boy in our neighbour school.  
L: Let's see.....(smiling).....Well,..... it's him.  
SM: You know him, Lisa?  
L: Well.....(keep smiling)  
ASM: Hey, of course. Aaron is Lisa's BOYFRIEND. Don't you know that?  
SM: No! Wow!!  
L: Well.....He's only one of my boyfriends!  
SM: That is to say you still have a lot of boyfriends.  
L: Not really.....say.....Paul, Mark, Leo, Daniel...Just to name a few. Among them, Aaron can be said to be...quite ' good' ...as you know, he is good at studying. That's all.  
ASM: Wow! Sound great! But if one of them knows that you have so many ' boy' friends, what will happen?  
L: You think I will let ANYONE of them know? Of course not! They will never know  
B: Wow! You REALLY are a ' clever' actress. (a bit teasing)  
L: Sure! You are welcome.  
B: Not at all.  
L: And remember, you should be careful in dealing with boys. A suitable distance is necessary.  
ASM: Yes. Lisa always teaches us: Don't let him know how much you love him but you must make sure he is 100% loving you.  
L: Ha. (Looking at ASM) you're really clever!  
SM: Lisa, you are so great! What a ' LOVE-KILLER' !!!!  
ASM: Right! Lisa is smart and beautiful. And she always gets good results in school.  
A: (cut in) All teachers treat her kindly.  
B: All the Boys must chasing after her.  
A&B: How wonderful!  
L: Well...That may not be the truth sometimes. If some boys are passive, I must take the initiative. See, Aaron is an example.

**(Jessica and Wing Sze enter the stage. They brought with them some lunch boxes. C, D and E come in with them)**

J: Hey, Lisa, You are being arrested! (pretend to arrest L like a policeman)  
L: What?  
W: Don't take it seriously. Mrs. Fu wants to see you. That's all.  
L: Thank you, Wing Sze. You are so nice! You, FAT BUG.

**(turn to the actresses and the other students)**

L: OK. Everybody, Have you lunch now and we'll continue afterwards.

**(L leaves the stage)**

J: Hey, Sandy and June, come here and discuss this sketch.

**(SM and ASM went with J and W to a corner and discuss the sketch of the play.)**

**(A, B, C, D and E gossip about L and A)**

A: That Lisa is always showing off. How disgusting!

B: Right! She just wants everybody to know that she's got a HANDSOME

B: And you know what she says?

All: What?

**(B Start acting out Lisa's behavior)**

B: (using the tone of Lisa) Well.....Boyfriend.....You see.....Men are just like my clothes. I will never keep them long. Once you get bored with anyone of them. Change it. I have plenty of clothes to wear.

D: (native) What about if you have no money to buy clothes?

(A, C and E raise up their hands one after another.)

A: I know.

C: I know.

E: I know.

A, C & E: You won't wear any clothes.

**(A, C and E try to take off B's clothes)**

**(A, B, C, D and E laugh loudly as they are happy in acting like Lisa)**

B: She said that Aaron is just one of her CLOTHES. She can wear one if THIS one is torn.

C: She doesn't care about Aaron at all!

A: That's not fair to Aaron. He is handsome and smart.

E: He is good at sports and his studies

C: Yes, Lisa always shouts at Aaron.

E: How pathetic this 'little' man is!

D: Come on, I saw Aaron and Sarah in McDonald's a few days ago. They seemed to be quite intimate.

A: You mean they... ..

D: Well ... .. You know

B: Hey, (being happy) a good show is coming!

A: Actually I think Sarah is a nice girl. They will be a good pair.

C: I do agree with you!

**(A, B, C, D and E are still gossiping and sometimes laugh loudly.)**

**(J and W hear what they say and go and ask them)**

**(J, W, SM and ASM join the conversation)**

J: What did you say? You mean Sarah and Aaron are together? How did you know?

D: Last Wednesday, I saw them sitting in the McDonald's, being quite intimate, I mean sitting closely together talking with each other.

W: You must have the wrong person.

D: Wrong? Surely not. Sarah even put her arms around A's shoulder. (D acted out the situation with C)

All: Wow!

W: Aaron is Lisa's boyfriend and therefore we four know him well, as well as Sarah. It's nothing strange that Sarah and Aaron meet and talk together.

J: Yeah! That's the point.

C: But let me ask you. If you were Sarah and you knew that Aaron is the boyfriend of your best friend, would you do something like that, I mean 'dating'.

D: I'm sure that THEY ARE DATING.

W: No, Sarah will not do that. She is too nice.

A: Yes. Sarah is really nice. She is good at everything.

B: That's why if I were Aaron...

E: I would choose Sarah instead of Lisa. Don't you think so, Sandy?

SM: Well, maybe you're right.

ASM: Maybe... (look at SM and feel confused)

B: Right. Sarah is much better than Lisa.

A: Yeah! Yeah!

J: Stop bullshitting. If Lisa heard that, she would be furious.

D: Hey, you can go and ask Sarah if you don't trust me.

W: OK. We will find out. But please don't spread the rumor. You know, it's not a joke.

D: Let's wait and see.

**(J and W out)**

B: Lisa always pretends to be a love expert. Well, this time she can't even monitor her OWN boyfriend.

D: I do feel a bit sorry for her.

C: Lisa is not as nice as Sarah.

A: She is also not good to her boyfriend, Aaron.

E: But still Sarah should behave herself. She is her best friend.... it's... ..

SM&ASM: (interrupt as she sees Lisa entering the stage) Hey, stop... Sh.... Sh... ..

D: Hi, Lisa..... I have to .....throw these away... (pointing at the lunch box)

E: I need to go to toilet.

C: Let me accompany you! **(C and D out)**

A: Let's have some drinks.

B: Good idea! I'm also a bit thirsty.

A: I think we should stop here, right?

**(Lisa being no response)**

**(A and B out)**

ASM and SM: Well.... we have to....go!

**(Lisa is left on the stage alone.)**

### Scene 3

#### First shot

**(Stage left, downstage. Light fade in)**

**(at the bus stop. A, B, C, D, E, SM and ASM are waiting for the bus.)**

D: I saw Aaron and Sarah again yesterday in McDonald's.

E: What?

D: Sarah met Aaron again.

E: What were they doing?

D: Well, they were talking about something serious.

E: You mean..

D: They are talking about Lisa!

**(D and E talk silently)**

C: Hey, what did you say?

D: I said Aaron and Sarah were talking about Lisa in McDonald's.

E: Aaron said he didn't love Lisa anymore!

A: Are you kidding?

B: Maybe that's true! Lisa is always rude to Aaron.

E: And Lisa has so many boy friends.

A: So, they have broken up!!

SM: But Lisa and Aaron is a good pair!

C: Only Aaron is good to Lisa.

D: Not the other way round.

ASM: Lisa must be hurt then.

SM: I do think so.

**(L came in)**

SM: Hey, Lisa!

**(All of them greet Lisa)**

E: Hi Lisa. Where is Aaron?

A: He must be accompanying you home!

B: Yes! He must be with you just now.

L: Well, I just called him and he said he was coming.

**(Phone rings)**

L: Come immediately, Aaron. I want to see you now!

What? Playing basketball again?

How come you have to play basketball every day?

Unreasonable? How dare you say that?

If you don't show up within five minutes, never see me again.

#### Second Shot

**(Stage left, Light fade out.)**

**(Stage right, Light fade in.)**

**(In the street, Lisa is waiting for Aaron)**

SM: Hi, Lisa!

L: Hi, Sandy!

SM: What are you doing here?

L: I am waiting for Aaron.

SM: Aaron?  
L: Well, I just want to give him some notes. He is going to have a test soon and I think the notes will help. You saw him?  
SM: Maybe he is in McDonald's!  
L: Really? (feeling strange)  
S: Are you sure he would like to have your notes?  
L: What do you mean by that?  
SM: Maybe somebody will give him the notes.  
L: Somebody?

### Third Shot

**(Stage right, Light fade out)**

**(Centre, light fade in)**

**(Sarah is sitting in McDonald's and waiting for somebody)**

**(C, D and E came in, gossiping about Lisa)**

D: Do you know who did I see yesterday?

E: Aaron?

C: And...Lisa. She's always a parasite.

D: No! It's Sarah.

E: Sarah? Are you kidding?

D: Of course, NOT!

(They see Sarah sitting in M alone)

C: Sarah!

S: Hi!

C: You look really beautiful today!

E: Yes. You look great with you ponytail.

S: Thanks. (a bit embarrassing)

C: Are you waiting for someone?

S: Yes.....I am waiting for... ..

**(A, B and ASM came in)**

**(Lisa follows) (At this moment, Jessica and Wing Sze enter the stage, on the other side)**

A: Hi, Sarah! Nice to meet you here!

S: Hi, Dominique, April, June. How are you?

B: Fine. Are you waiting for someone?

S: Well....Actually I am waiting for a friend and he is coming to... ..

ASM: Sarah, you did wonderfully in the Singing Contest.

A: Yes, we are all intoxicated by your sweet voice.

B: Like that of a nightingale.

S: Well.....it's too kind of you to....

A: How long have you practiced the song?

D: Two weeks?

C: One week?

E: No, it must be just one day!

**(SM runs into the stage, stage left, upstage, near L)**

SM: Hey, Hey, I saw Lisa just now and she is waiting for Aaron...

**(SM knocks L down accidentally. L's notes fall on the ground)**

SM: Sorry, Lisa. I don't mean to... .. **(a bit frightened as she sees that Lisa is quite**

**angry)**

**(S sees that L is there and immediately goes to pick up the notes for her.)**

S: Let me help you Lisa.

L: It's none of your business.

**(S picks up the notes and hands them to L)**

L: These are MY THINKS. Don't ever take them away.

**(S is frustrated. L leaves the stage, stage right)**

J: Sarah?

W: Sarah!

Fourth shot

**(L is in the bedroom. Talking with A)**

L: Hello?

Ah...It's you!

Do you need the notes to study?

OK.

Talk? Go ahead.

Problems? What are the problems, Aaron?

I don't understand.

No, no! I don't think so!

You have fallen in love with someone else, right?

Calm down?

What do you mean by that?

**Scene 4**

**(The next day, before lessons)**

**(In the covered-playground)**

**(Students get into the playground. It's raining heavily outside)**

B: Hey Sarah.

SM: Will you teach us how to do the maths questions?

B: Yes, please. It's only you who can help us.

SM: Please, Sarah.

S: Well....I am quite busy these days. Maybe Lisa can help. She is good at ...

B: Sarah, you are better.

SM: Yes, Lisa always gets angry easily.

S: OK. OK. Let's find a time

SM: Great! Thank you.

B: Thanks, Sarah. We'll wait for your call. Bye.

**(The bell rings)**

SM: Bye.

S: Bye Bye.

**(SM and ASM leaves the stage and Lisa gets in. L is quite angry)**

SM: (being happy) Hey, Lisa!

B: Hi! Lisa.

**(Lisa didn't speak a word)**

**(SM and ASM leaves. They find the situation serious and go to find J and W)**

L: Sarah Yuen.

S: Lisa, what happened? **(feel frustrated that L calls her in this way.)**

L: Sarah Yuen. What did you say to Aaron?

S: (don't understand) What? What have I said?

L: I said. **WHAT DID YOU SAY TO AARON LAST NIGHT?**

S: Well....I didn't say anything.

L: Aaron said that he wanted to break up with me?!

S: No. Lisa! Listen to me. Aaron told me that he just wanted to separate for a WHILE and let both of you calm yourselves down. He didn't tell me that he wanted to break up...

L: You're a liar! **YOU ARE A LIAR!** We used to be a perfect pair. He NEVER said a word opposing me. He never said NO to me. He cared about me, about everything concerning me. He said I am his everything and HE will even DIE for me. He is one hundred percent loving me. How come he wants to separate! Calm down! He said calm down!! I don't believe that. It's because of YOU! You made him say these words to me. **YOU MADE HIM LIE TO ME.** It's YOU, you stole his heart. You took him away from me! **YOU BITCH!**

**(L slaps on S's face)**

**(There's a silence)**

**(J and W come in, look at them. They see that S is holding her hand against her face)**

J: (shout at them) Stop that Lisa.

**(J and W run to Lisa and Sarah)**

**(S and L stand there, not a move)**

W: Sarah(holding Sarah's hand)

J: Sarah, are you OK?

**(Sarah just looks at Lisa. Memories of their friendship pass through her mind)**

**(There's a silence)**

S: I am your friend....For four years... and you treat me like this? (feeling hurt)

L: Friend? Then tell me, how do you treat your friend?

S: Lisa, I just wanted to help? (trying to calm herself down)

L: Help? I think you are just helping yourself, right?

W: Lisa, stop that.

L: You shut up. (pointing at J)

S: (can't suppress anymore) Lisa. You know your problem? You're too extreme. You can't always have such strong feminist opinions. A Man needs dignity. Aaron **NEEDS THAT** too.

L: Aaron **NEEDS ME!**

S: Aaron cares for everything about you, **YOU SAID.** But you treat him like dirt! Is he just one of your toys. When you feel like playing with it, **YOU PLAY.** Once you find it boring, you just throw it away! Is it just because you have so many toys?

L: It sounds like you are jealous? Right! I have many **TOYS.** So what? If you told me earlier, maybe I could have given you one, say Paul? Leo? Or Mark? But Aaron is **MINE.** Even if I throw it away, nobody can pick it up. Don't you **UNDERSTAND?**

S: Lisa, that's **ENOUGH.** Can't you try to accept your friend's advice?

L: You are **NOT** my **FRIEND!**

J: Lisa, how dare you talk like that?

W: Yes, Lisa. You shouldn't talk like that.

J: APOLOGIZE! NOW!

**(L being no response. She has a feeling that she really said something wrong.)**

S: Lisa....I am hurt.

If there's any misunderstanding between you and me.....fine....Sorry. I had never.... Ever....taken Aaron away from you, not even in thought! No. (wants to cry)

J: Yes, Lisa. Sarah just found it difficult to express the case to you when Aaron told her the difficult situation between you and him.

W: Right, and Sarah told us ALL about that and asked for our advice. I think you have made a mistake!

J: You know, we are all worried about you. When SM and ASM came and told us that you seemed to blow up, we just raced here. And see, what have you done?

**(Lisa looks at them and then turns her head away)**

**(W gets closer to Lisa)**

W: Lisa.

W: Lisa, listen! We know that you want to be loved, to be taken care of.... But Love is mutual. You can't just take somebody's love without giving out yours. That's too selfish.

**(Lisa still has no response. But she is listening)**

W: Love does not brag, nor does it show itself off.

J: I don't have as much live experiences as you. But I know if I love somebody, I will completely involve.

W: Lisa, if you really love Aaron, you should endure all things, believe all things, hope all things and bear up under all things, not losing heart nor courage.

J: You should respect him, so that he respects you.

W: Like being friends, you should respect us, and then we are RESPECTING you.

J: Lisa, Aaron does love you and so do we! Don't you get that? ANSWER ME!

**(J is holding L's arms and tries to force L to look at her)**

**(Lisa cries)**

L: Just let me go! Just let me go!

J: Lisa!

**(Lisa continues to cry! She doesn't know what to say but she admits J and W silently)**

**(J, W and S listen)**

L: I am afraid. I am afraid of losing him. I didn't mean to hurt him but I just can't control myself. I don't want to be a loser. No! Never! I am afraid of loving somebody, but I thirst for love.

W: WE ALL LOVE YOU. WE ARE YOUR FRIENDS! What about your parents, your father and mother, they love you too.

L: But my father didn't love my mother. My mother did nothing wrong but my father left her alone!! Why did he leave her alone, and me, AND ME? AND ME???

**(Lisa is collapsed, she cries)**

**(S sees this. She walks towards Lisa.)**

S: Lisa, it's YOU who don't love yourself. You're not hurting the one who loves you. You are HURTING YOURSELF, You know you are HURTING YOURSELF, severely.

(Sarah cries and so do J and W)

L: Sarah. I am sorry! (she cries and L and S hug together) I am sorry. I didn't mean to say that. I didn't. I love Aaron. I love him. But I can't lose him. I

**(J and W tries to comfort and consulate L)**

**(Music in-those were the days)**

### Scene 5

**(Same as scene 1)**

J&W&S: What did you say? Aaron?

(L being a bit embarrassed)

L: Well ... ..

J: Don't you remember the day in the toilet? It's because of YOUR AARON, you..

L: OK, OK stop that. I know what I did. I have apologized already.

J: You had almost broken up with us, before you broke up with Aaron.

W: And you cried your heart out!

L: Well.....stop reminding me please. It's history already. See, I am fine with Aaron now!

J: Don't forget that we saved you. Or else, how else could you still be so sweet with Aaron NOW!

L: OK OK. Let me thank you all once again. (bow to them)

L: Happy with that?

W: So I don't think your tips will be useful to Sarah, right?

L: But. Sarah is too passive. She will lose her chance.

W: Not really, if the boys like her. Take me as an example, I am also passive, but Calvin won through in the end.

J: But you lost your Klien before.

W: Hey, Jessica, mind your words. You are no better than me with you XO.

J: What?

L: Your extra old!

J: Hey, he is just 10 years older than me!

W: It seems that you are desperate for fatherly care. Will there be any generation gap?

J: We understand each other well. We have communication.

W: Really? He looks like a teacher instead of a boyfriend!

J: Hey, Wing, are you on my side?

W: Well, it's you who started the argument.

L: Hey, let's stop that, girls. It's Sarah who needs our help. Right?

J: OK OK Let's stop that.

L: (turn to Sarah) So Sarah, we all got our lovers, maybe it's your turn now!

W: Will Peter have any chance?

(The three of them look at Sarah.)

S: Peter is not so bad!

But....Maybe John is better.

J&W&L: John? (surprised) Who is John?

S: It's Peter's brother!

J&W&L: What? Why didn't you say that earlier? (Music fade in. Light black out)
